

LIST OF PUBLICATIONS FOR THE LAST 5 YEARS

(From 2015 –TILL DATE)

<u>DEPARTMENT OF ORTHODONTICS AND DENTOFACIAL ORTHOPEDICS</u>				
Name Of Faculty	Title Of Article	Citation	National/ International	Indexing (Pubmed/Scopus/We b of science)
Dr. Ajith R Pillai	Evaluation of antimicrobial and shear bond strength of orthodontic primers containing three antimicrobial agents – “an invitro study”.	International Journal of Current Research, 12, (11), 14860-14864.	International	Index Copernicus
	“Comparative evaluation of the efficiency of adhesive remnant removal and enamel surface topography using tungsten carbide bur and fibre glass bur –a scanning electron microscopic study”	International Journal of Current Research, 12, (11), 14825-14828.	International	Index Copernicus
	“Comparative evaluation of effectiveness of lowlevel laser therapy and light emitting diode in the rate of orthodontic tooth movement”	International Journal of Current Research, 12, (12), 15168-15172.	International	Index Copernicus
	Bone anchored maxillary protraction :a case report	J Ind Dent Assoc Kochi 2020:2(1):33-8	National	Index Copernicus

Dr. Jayanth Jayarajan	Evaluation of antimicrobial and shear bond strength of orthodontic primers containing three antimicrobial agents – “an invitro study”.	International Journal of Current Research, 12, (11), 14860-14864.	International	Index Copernicus
	“Comparative evaluation of the efficiency of adhesive remnant removal and enamel surface topography using tungsten carbide bur and fibre glass bur –a scanning electron microscopic study”	International Journal of Current Research, 12, (11), 14825-14828.	International	Index Copernicus
	“Comparative evaluation of effectiveness of low level laser therapy and light emitting diode in the rate of orthodontic tooth movement”	International Journal of Current Research, 12, (12), 15168-15172.	International	Index Copernicus
	Bone anchored maxillary protraction :a case report	J Ind Dent Assoc Kochi 2020:2(1):33-8	National	Index Copernicus
	Nickel allergies in orthodontic treatment	Int J Prev Clin Dent Res 2016:3(2):143-146	International	Index Copernicus
	Orthodontic treatment and its relation to the temporomandibular joint pathologies	Int J Prev Clin Dent Res 2016:3(2):139-142	International	Index Copernicus

Dr. Fawas Shaj	Evaluation of antimicrobial and shear bond strength of orthodontic primers containing three antimicrobial agents – “an invitro study”.	International Journal of Current Research, 12, (11), 14860-14864.	International	Index Copernicus
	“Comparative evaluation of the efficiency of adhesive remnant removal and enamel surface topography using tungsten carbide bur and fibre glass bur –a scanning electron microscopic study”	International Journal of Current Research, 12, (11), 14825-14828.	International	Index Copernicus
	“Comparative evaluation of effectiveness of lowlevel laser therapy and light emitting diode in the rate of orthodontic tooth movement”	International Journal of Current Research, 12, (12), 15168-15172.	International	Index Copernicus
	Bone anchored maxillary protraction :a case report	J Ind Dent Assoc Kochi 2020:2(1):33-8	National	Index Copernicus
	Nickel allergies in orthodontic treatment	Int J Prev Clin Dent Res 2016:3(2):143-146	International	Index Copernicus
	Orthodontic treatment and its relation to the temporomandibular joint pathologies	Int J Prev Clin Dent Res 2016:3(2):139-142	International	Index Copernicus

	Tricks of the trade: fixed retention appliance (FRA): an effective retention appliance with a simple design	Orth Update 2016; 9: 112-113	International	Index Copernicus
Dr. Shifa Mohammed Jabar	Effectiveness of Various Disinfectant Protocols on Orthodontic Pliers – An In-Vitro Study	Int. J. Med. Dent. Sci. 2020; 9(1): 1835-1840.	International	Index Copernicus
	“Comparative evaluation of the efficiency of adhesive remnant removal and enamel surface topography using tungsten carbide bur and fibre glass bur –a scanning electron microscopic study”	International Journal of Current Research, 12, (11), 14825-14828.	International	Index Copernicus
	3D NiTi Molar Uprighter- An Adjunct to Adult Orthodontics .	International Journal of Current Research, 9, (12), 62665-62668.	International	Index Copernicus
Dr. Sruthy Rajeev	“Comparative evaluation of effectiveness of low level laser therapy and light emitting diode in the rate of orthodontic tooth movement”	International Journal of Current Research, 12, (12), 15168-15172.	International	Index Copernicus

DEPARTMENT OF ORAL AND MAXILLOFACIAL SURGERY

Name Of Faculty	Title Of Article	Citation	National/ International	Indexing (Pubmed/Scopus Web of science)
Dr. Yeshaswini.T	Nil	Nil	Nil	Nil
Dr. Joseph Edward	Comparing the efficiency of two different extraction techniques in removal of maxillary third molar: A randomized controlled trail	Edward J, Aziz MA, Usha AM, Narayanan JK. Comparing the Efficiency of Two Different Extraction Techniques in Removal of Maxillary Third Molars: A Randomized Controlled Trial. Journal of maxillofacial and oral surgery. 2017 Dec;16(4):424-9.	National	PubMed
	Evaluation of patients knowledge for third molar removal	Samson A, Edward J, Ziaudeen S. Evaluation of Patients' Knowledge for Third Molar Removal. Int J Prev Clin Dent Res 2017;4(4):272-274.	International	Index Copernicus
	A bend to a needle makes the arch stable-A modified technique for zygomatic arch reduction and stabilization	Edward J, Samson A, Usha AM, Harikrishnan KU. "A Bend to a Needle Makes the Arch Stable" a Modified Technique for Zygomatic Arch Reduction and Stabilization.	National	PubMed

		Journal of Maxillofacial and Oral Surgery. 2021 Mar;20(1):160-2.		
Dr.Muralee Krishna	Influence of Nerve Stimulation on joint Discolation	Harish Kumar A, SupriyaGiridharBhandage, Muraleekrishnan M, Moitrayee Sharma, Arindom Changmai, "Influence of Nerve Stimulation on Joint Dislocation: A Case Report", IJDSIR- June - 2020, Vol. – 3, Issue -3, P. No. 64 – 69.	International	Index Copernicus
