

ANNUAL REPORT 2019

ABOUT THE COLLEGE

Azeezia College of Dental sciences are one of the finest dental institutions in Kerala which was commenced in the year 2004. The annual intake of students in the institution is 100 for UG and 22 students for PG programme. The college was recognised by the Dental Council of India and is affiliated to Kerala university of Health sciences.

INFRASTRUCTURE

The college has infrastructure, equipments and staff as per Dental Council of India norms and the university checks these through yearly inspections. The clinics and laboratories are well equipped and the latest methods of treatment are taught and performed in the departments. There are specially designed laboratories and teaching facilities such as lecture halls, auditoria and departmental seminar rooms and departmental libraries. We have a separate boys and girls hostel for the students.

STAFF

The faculty of the college consists of experienced and highly qualified teachers in various speciality of dentistry propelling high quality learning. The college has a scientific committee, with its members as eminent people from various fields. In order to review the ethical issues which might arise in research proposals in the health and biomedical fields, an Ethical committee has been functioning in the college.

There are adequate and skilled non- teaching staff consisting of Librarian, Nurses, Hygienist, Dental Mechanic, Dental Technician, Pharmacist, System Maintenance manager and system operator, and unskilled non teaching staff of attenders and house- keeping. There are adequate office staff, and staff in accounts department and stores.

The basic science and medical subjects are taught in Azeezia Medical College. We utilise their facilities for academic and research activities. We utilise their Operation theatre, ICU and ward for Oral surgical works.
