YEAR : 2022- 23

I BDS

No. of Respondents :108

S.No	Parameter	Strongly Agree (%)	Agree (%)	Neutral (%)	Disagree (%)	Strongly Disagree (%)
1.	The Curriculum and Syllabi of the course was highly relevant.	44.14	49.68	6.18	0	0
2.	Curriculum instruction were easy to follow	25.69	46.95	22.94	4.42	0
3.	Reading materials & references regarding curriculum/subjects are easily found.	37.58	39.17	15.36	5.18	2.4
4.	The courses help to attain knowledge ,understanding , skill & aptitude.	49.76	33.1	13.65	3.47	0
5.	Subjects/Course offered speciality wise competencies.	44.44	37.03	13.65	3.47	0
6.	The Subjects /course were relevant to your future aspirations.	58.55	28.70	7.40	5.01	0
7.	Adequate knowledge gained after completion of the respective academic year	53.77	41.03	5.07	0	0

A1 : The Curriculum and Syllabi of the courses was highly relevant .

A2 : Curriculum instruction were easy to follow.

A3 : Reading materials & references regarding curriculum /subjects are easily found.

A4 : The courses help to attain knowledge,understanding ,skill & aptitude.

A5 : Subjects/Course offered speciality wise competencies.

A6 : The subjects/course were relevant to your future aspirations.

A7 : Adequate knowledge gained after completion of the respective academic year.

ANALYSIS :

The curriculum and syllabi of the course was highly relevant.

44.14% strongly agree that the curriculum and syllabi was highly relevant .49.68% students agree that the curriculum and syllabi was highly relevant. 6.18% students have neutral responses and no students disagree and strongly disagree.

Curriculum instructions were easy to follow

25.69% & 46.95% strongly agree and agree that curriculum instructions were easy to follow respectively. 22.94% students responses were neutral and only 4.42% students disagree that curriculum instructions were easy to follow.

Reading materials and references regarding curriculum/subjects are easily found

37.58% strongly agree that reading materials and references regarding curriculum/subjects are easily found .39.17% students respond agree and 15.36% students rate neutral. 5.18% and 2.4% rated disagree and strongly disagree.

The courses help to attain knowledge ,understanding,skill& aptitude

49.76% and 33.1%respondents strongly agree and agree that the courses help to attain knowledge ,understanding ,skill & aptitude respectively. 13.65% rated neutral and 3.47% disagree .

Subjects/courses offered speciality wise competencies.

Most of the respondents (44.44%) strongly agree that the subjects/courses offers speciality wise competencies . 37.03% respondents agree . 13.65% respondents rated neutral and 3.47% disagreed.

The subjects courses were relevant to your future aspirations.

58.55% and 28.70% strongly agree and agree that the subjects/course were relevant to future aspirations.Others (7.40%) responded neutral and 5.01% disagreed.

Adequate knowledge gained after completion of the respective academic year.

53.77% students strongly agree that the adequate knowledge gained after completion of the respective academic year .41.03% and 5.07% responses were agree and neutral respectively.

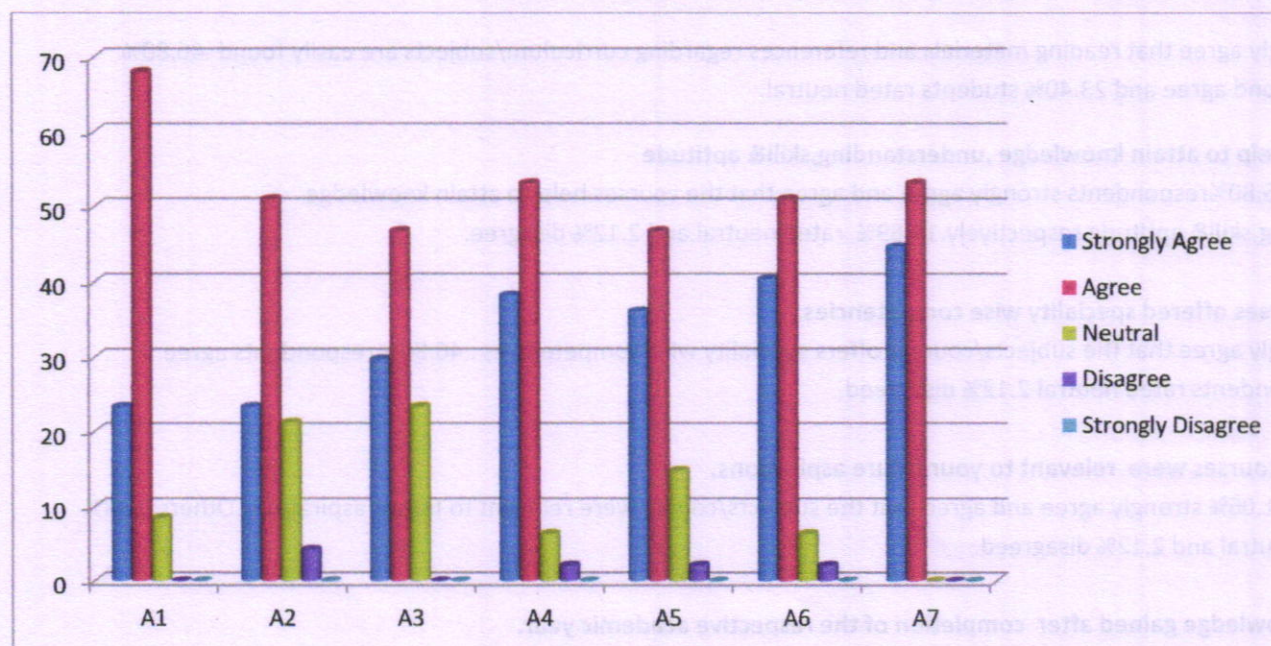

YEAR : 2022- 23

A1 : Curriculum and Syllabus are need based.

A2 : The course outcomes are well defined and clear.

A3 : Sufficient number of relevant reading materials and digital resources are available in the Library.

A4 : The course has good balance between theory and application.

A5 : The university curriculum meet the advances in profession.

A6 : There is adequate emphasis on communication skills in the curriculum.

A7 : There is adequate emphasis on human values,ethics and professionalism.

A8 : The curriculum provides opportunities for integrated learning.

A9 : The assessment(examination) process is described clearly.

A10 : Adequate knowledge gained after completion of course.

ANALYSIS

Curriculum and Syllabus are need based.

14.28% strongly agree that curriculum and Syllabus are need based . 85.71% students agree that curriculum and syllabus are need based.

The course outcomes are well defined and clear.

14.28% and 57.14% students strongly agree and agree that the course outcomes are well defined and clear respectively. 28.57% rated neutral.

Sufficient number of relevant reading materials and digital resources are available in the Library.

14.28%strongly agree that sufficient number of relevant reading materials and digital resources are available in the library and 28.57% students agree . 57.14% students responded neutral.

The course has good balance between theory and application.

14.28% and 42.85% students strongly agree and agree that the course has good balance between theory and application respectively. 35.71% responded neutral.

The University curriculum meets the advances in profession.

7.14% strongly agree that university curriculum meet the advances in profession . 78.57% students agree. 14.28% responded neutral.

There is adequate emphasis on communication skills in the curriculum.

14.28% strongly agree and 71.42% agree that there is adequate emphasis on communication skills in the curriculum. 14.28% responded neutral.

There is adequate emphasis on human values ,ethics and professionalism.

21.42% strongly agree that there is adequate emphasis on human values ,ethics and professionalism .78.75% responses agree respectively.

The curriculum provides opportunities for integrated learning.

21.42% strongly agree that the curriculum provides opportunities for integrated learning.57.14% agree respectively. 21.42% responded neutral.

The assessment(examination) process is described clearly.

21.42% strongly agree and 78.57% agree that the examination process is described clearly. No disagreements.

Adequate knowledge gained after completion of course.

7.14% strongly agree and 78.57% agree and 14.28% responded neutral.
