DATE OF EVENT: 08-04-2024

Venue: 5th floor of Azeezia Medical College Campus

Time: 6:00pm - 8:30pm

The B15 batch of Azeezia College of Dental Sciences and Research had organised an iftar party (Ihlifaal) to celebrate the auspicious month of Ramadan. All faculty members and students were invited to attend the party.

The main event of the evening was the breaking of the Ramadan fast. Traditional iftar meal items such as fresh fruits and fruit juices were provided to break the fast. Along with this, a few snack items such as samosas and cutlets were also served. After the fast was broken, the men in attendance had proceeded to the mosque to offer their prayers. On their return, a meal of Mandhi was served to everyone in the hall followed by dessert.

The holy period of Ramadan serves as time for all to strengthen their spirituality, practice kindness and charity. It is a time of self reflection and improvement. Iftar parties are a great way to strengthen community ties and promote solidarity. It is a great opportunity to explore and appreciate the diverse cultures and beliefs that are so intricately woven into our communities. They are a source of joy and relief which the party did not fall short on delivering. The atmosphere of the party was reflective of the delight experienced by all in attendance at the chance of taking a break from their busy day to day routines.

The general consensus was that the party was truly enjoyable and that more events as such would be organised in the future.
