The course has good balance between theory and application.

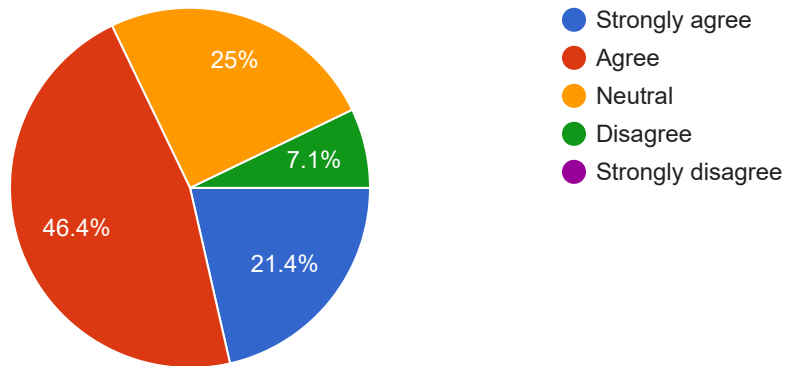

28 responses

The curriculum enrichment programmes help to understand the recent updates in Curriculum.

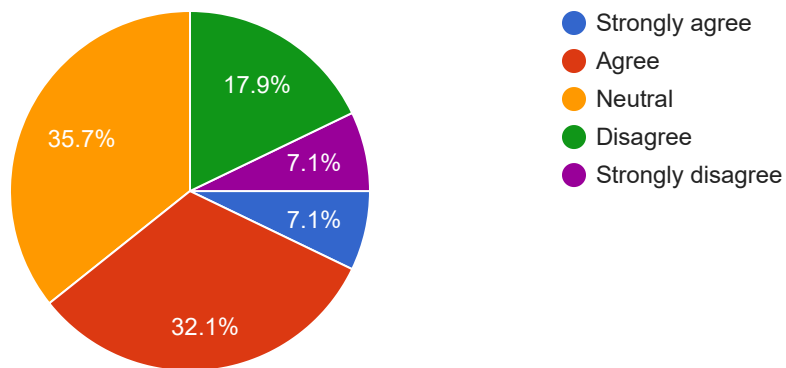

28 responses

Faculties have sufficient platforms to make suggestions towards desired changes in the Curriculum.

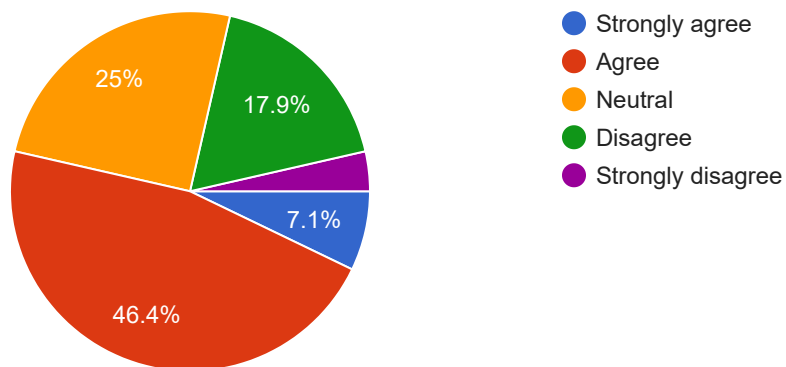

28 responses

The curriculum provides adequate support for Projects and Research programmes.

28 responses

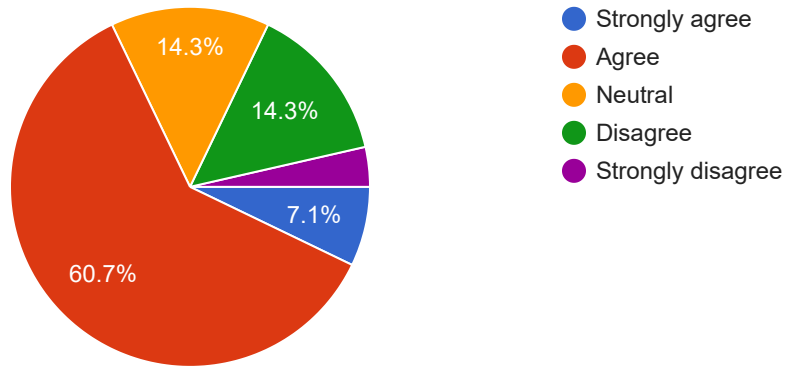

Sufficient number of prescribed books on the syllabi are available in the Library.

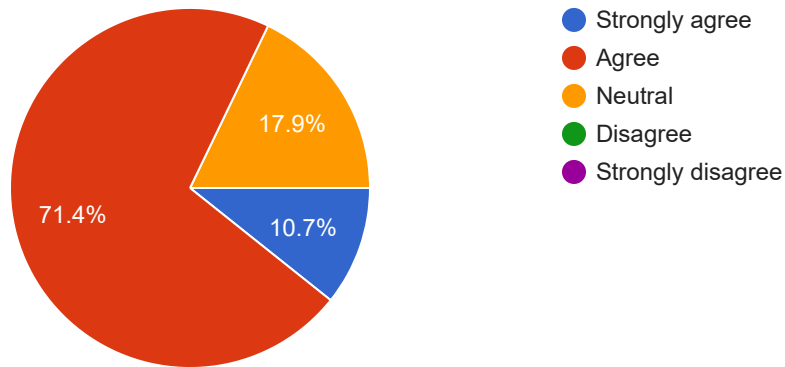

28 responses

Relevant activities(seminars/competitions/visits etc.) are conducted to develop various skills among students.

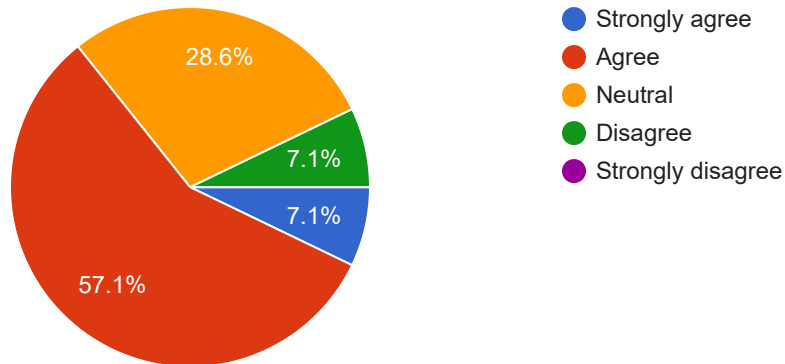

28 responses

Adequate knowledge gained after completion of course

28 responses

## Suggestions

6 responses

Need improvement

Need a better method of teaching

UG students are facing difficulty in understanding English and they are finding it difficult to comprehend what's there in the textbook.

More Emphasis on Research required

UG curriculum needs tremendous improvement in research and updation on current concepts. Measures should be taken to bring a balance between theory and clinical application

The course objectives are well-defined and the modules are logically structured.

 Copy

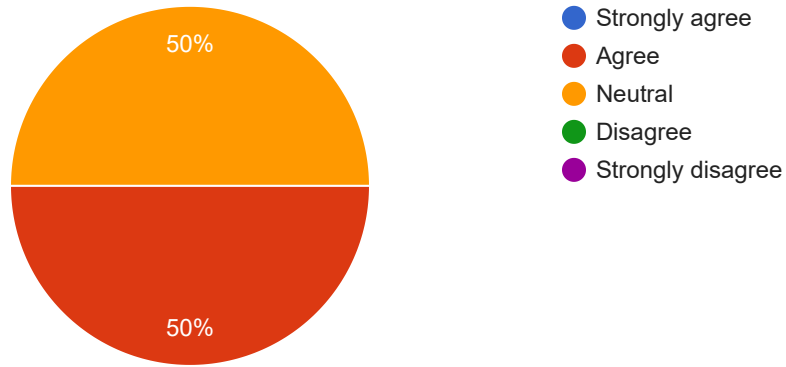

6 responses

The curriculum has good balance between Theory and application.

 Copy

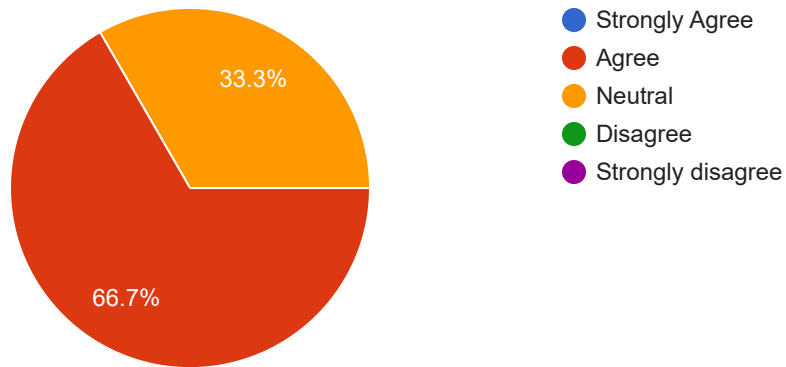

6 responses

The curriculum has enough content for a student to acquire sufficient knowledge to work in the medical field.

 Copy

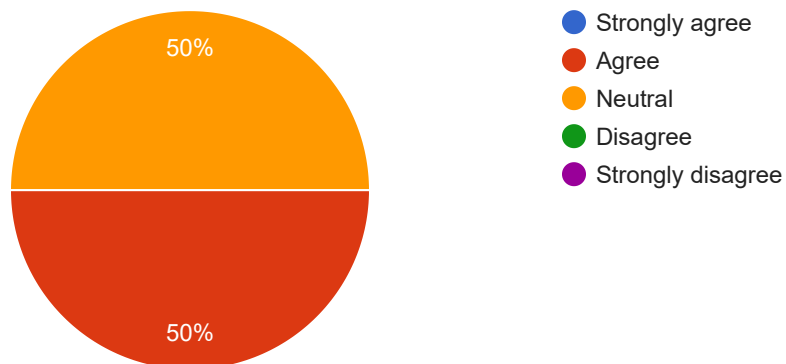

6 responses

The syllabus has content for developing skills to handle problems at work-place.

 Copy

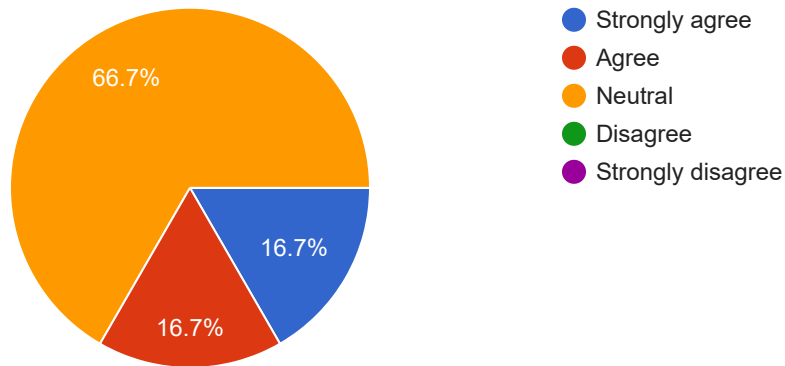

6 responses

The curriculum creates interest among the students to pursue Research in the specific subject.

 Copy

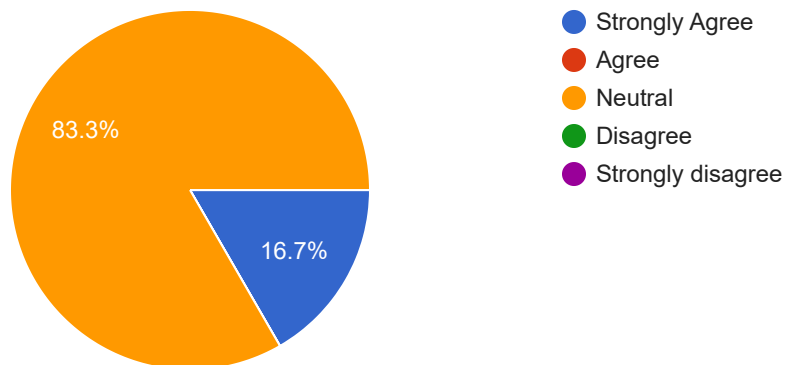

6 responses

The offered programme gives exposure through project/dissertation/internship/field-visit for real life experiential learning.

 Copy

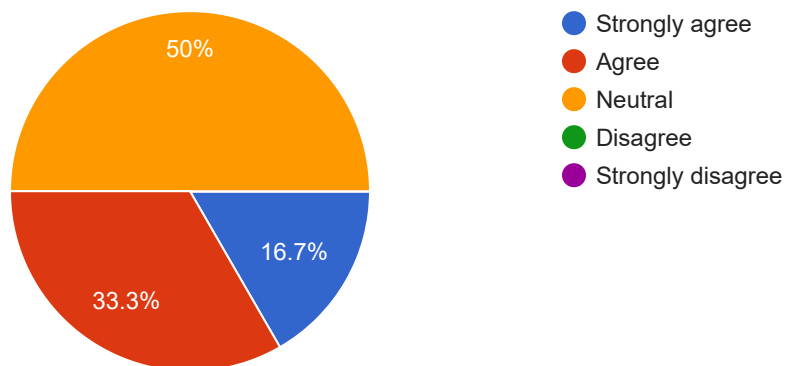

6 responses

The students are able to work as part of the Team.

 Copy

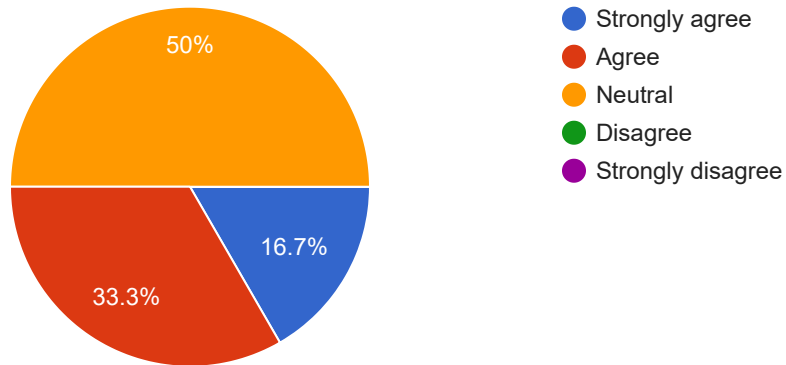

6 responses

The curricular and co-curricular initiatives taken by the institution help the students to attain the required competency level.

6 responses

### Suggestions

4 responses

should be more systematized.

More University rank holders expected.

Patient interaction should be properly handled.

Discipline and Uniform code in the campus should be followed strictly.
